

2019-20 Year 7 Literacy and Numeracy Catch-Up Plan

The DfE has made additional funds available for improving the attainment of our disadvantaged pupils. This grant is known as the Year 7 Catch-Up Premium. The funds are primarily aimed at improving maths and English levels for every pupil who has not achieved the 'expected standard' in reading or maths at KS2 as per the October school census. This plan summarises how the funding will be spent in the coming academic year.

Previous performance of disadvantaged pupils	2019	2020
Learners making expected progress in English at end of KS2:	0%	0%
Learners making expected progress in maths at end of KS2	0%	0%

Year 7 Catch-Up Premium 2019-20	
Total number of learners on year 7 roll:	12
Total number of learners eligible for Year 7 Catch-Up Premium Sept 2019:	12
Amount of Year 7 Catch-Up Premium received per learner:	£500
Total amount of Year 7 Catch-Up Premium received	£6000

Spending plan 2019-20 Year 7 Catch-Up Premium
Objectives:
<p>To support the attainment and progress in literacy and numeracy of these learners the school will:</p> <ul style="list-style-type: none"> • Improve writing across the curriculum £2000 • Whole school subscription to Widget £300 • Provide high quality experiential learning in maths £1500 • Provide a structured intervention programme in Numeracy £1150 • Introduce online standardised assessment and triple pathway intervention support for learners at-risk of developmental dyscalculia and need to catch up. £503.84

How will this improve the attainment of those remaining below the expected standard?

Improve writing across the curriculum £2000

- Implement a Talk for Writing approach
Introduce the 6 non-fiction text types together with opportunities to experience

model texts across the curriculum in :

- - instruction
- - recount
- - explanation
- - information
- - persuasion
- - discussion

This will refresh all curriculum teachers in teaching literacy, building on the Word Aware approach to reading, and enabling opportunities across the curriculum for extended non-fiction writing

- Whole school subscription to Widget **£300**

Provide high quality experiential learning in maths £1500

- To support the use of reasoning, logic and trial and error
- to support the acquisition of subject vocabulary.

Provide a structured intervention programme in Numeracy £1150

- one-to-one intervention for learners who find numeracy difficult
- involves 15-minute individual sessions delivered twice a week. It is grounded in academic research and addresses 10 key components of numeracy:
 - Counting 'verbally'
 - Counting objects
 - Reading and writing
 - Hundreds, tens and units
 - Estimation
 - Word problems
 - Translation
 - Remembered facts
 - Derived facts
 - Ordinal numbers
