Purpose of the plan

This plan examines potential risks and issues that could cause disruption to the exams process at Braidwood Trust School for the Deaf. By outlining actions/procedures to be invoked in case of disruption it is intended to mitigate the impact these disruptions have on our exam process.

This plan will be implemented in the event of major disruption, such as the centre is unable due to open due to fire or flood, widespread illness, travel disruption, bad weather, or power failure.

Any actions taken will be subject to the advice of official agencies dealing with the specific circumstances being faced, including Awarding organisations, for example the Police, Fire, Environment Agency or Health Protection Agency.

In the event that the Head of Centre decides the centre is unable to open for scheduled examinations the relevant awarding organisations should be informed as soon as possible. Awarding organisations will be able to offer advice regarding alternative arrangements for holding examinations that may be available, and options for students who have not been able to take scheduled examinations.

Implementing the plan will safeguard the interests of candidates whilst maintaining the integrity of the examination system and safeguarding qualification standards.

Alongside internal processes, this plan is informed by the Ofqual *Exam system contingency plan: England, Wales and Northern Ireland* which provides guidance in the publication *What schools and colleges and other centres should do if exams or other assessments are seriously disrupted* and the **JCQ Joint Contingency Plan for the Examination System in England, Wales and Northern Ireland** and the **JCQ notice Preparing for disruption to examinations** (effective from 11 October 2021).

This plan also confirms Braidwood Trust School for the Deaf is compliant with the JCQ regulation (section 5.3, *General Regulations for Approved Centres 2021-2022*) that the centre has in place a written examination contingency plan which covers all aspects of examination administration. This will allow members of the senior leadership team to act immediately in the event of an emergency or staff absence. The examination contingency plan should reinforce procedures in the event of the centre being unavailable for examinations, or on results day, owing to an unforeseen emergency.

For the purposes of this document, the “centre” referred to in it is Braidwood Trust School for the Deaf and is located at: Bromford Road, Hodge Hill, Birmingham, B36 8AF.

4. **Invigilators - lack of appropriately trained invigilators or invigilator absence**

Criteria for implementation of the plan

- *Failure to recruit and train sufficient invigilators to conduct exams*
- *Invigilator shortage on peak exam days*
- *Invigilator absence on the day of an exam*

Centre actions to mitigate the impact of the disruption

- Invigilators at Braidwood Trust School for the Deaf have to be qualified, to a minimum of level 3, in British Sign Language. These specific requirements can only be fulfilled by permanently employed support staff. As a contingency, the centre has trained an oversupply of invigilators and communicators.

5. **Exam rooms - lack of appropriate rooms or main venues unavailable at short notice**

Criteria for implementation of the plan

- *Exams officer unable to identify sufficient/appropriate rooms during exams timetable planning*
- *Insufficient rooms available on peak exam days*
- *Main exam venues unavailable due to an unexpected incident at exam time*

Centre actions to mitigate the impact of the disruption

- If the centre is unable to accommodate all candidates, each awarding organisation with which examinations are due to be taken will be notified as soon as possible.
- The centre will seek to displace non-examination students from any other appropriate room as an alternative.
- The centre is to use an alternative venue in agreement with relevant awarding organisations (e.g. share facilities with other centres or use other public building, if possible)
- Candidates and invigilators will be informed of any changes via Group Call with a request for a reply. Where no reply is received, a telephone call will be made. A notice will also be added to the centres website.
- Priority will be given to students whose progression will be severely delayed if they do not take their exam or timetables assessment when planned.
- The centre may offer candidates an opportunity to sit examinations missed at the next available series.
- The centre will consider whether to apply to the awarding body for special consideration for candidates where they have met the minimum requirements

6. Failure of IT systems

Criteria for implementation of the plan

- *MIS system failure at final entry deadline*
- *MIS system failure during exams preparation*
- *MIS system failure at results release time*

Centre actions to mitigate the impact of the disruption

- The Exams Officer will use the awarding bodies portal to perform the required tasks
- As a small school, the centre is not reliant on MIS
- The Exams Officer will contact the awarding body for guidance, if required

7. Emergency evacuation of the exam room (or centre lock down)

Criteria for implementation of the plan

- *Whole centre evacuation (or lock down) during exam time due to serious incident resulting in exam candidates being unable to start, proceed with or complete their exams*

Centre actions to mitigate the impact of the disruption

In the event of an emergency evacuation, the school will follow the JCQ's centre emergency policy.

The invigilator **must** take the following action in an emergency such as a fire alarm or a bomb alert.

- Stop the candidates from writing.
- If using I.T equipment, candidates must stop and save work immediately.
- Advise candidates to leave all question papers and scripts in the examination room.
- Collect the attendance register (in order to ensure all candidates are present).
- Evacuate the examination room in line in order of the seating plan.
- Candidates must leave the room in silence and not use BSL to communicate to each other.
- Lock the door once all the pupils have left.
- Do not use the lift
- Leave the building via the nearest available fire exit and guide candidates to the furthest area of the assembly point. Ensure candidate stand with distance between each of them and other school pupils at the assembly point.
- Make sure that the candidates are supervised as closely as possible while they are out of the examination room to make sure there is no discussion about the examination.
- Make a note of the time of the interruption and how long it lasted.
- Allow the candidates the full working time set for the examination.

- If there are only a few candidates, consider the possibility of taking the candidates (with question papers and scripts) to another place to finish the examination.
- Make a full report of the incident and of the action taken, and send to the relevant awarding body.
- Plans will be in place to safely enable the exit of a candidate with mobility difficulties.

In the event of a centre lock down, the centres lock down procedures will be followed. The exam will be stopped during the lockdown. If possible, the candidates will be kept under exam conditions. Where the exam can be resumed, candidates will be allowed the full working time set for the examination. The awarding body will be notified and advice sort. A full report of the incident and action taken will be sent to the awarding body.

8. **Disruption of teaching time in the weeks before an exam – centre closed for an extended period**

Criteria for implementation of the plan

- *Centre closed or candidates are unable to attend for an extended period during normal teaching or study supported time, interrupting the provision of normal teaching and learning*

Centre actions to mitigate the impact of the disruption

Where there is disruption to teaching time and students miss teaching and learning it remains the responsibility of the centre to prepare the students, as usual, for examinations.

- The centre may apply the established Business Continuity Plan to continue operating. This plan should be used in conjunction with the centre's Critical Incident Plan.
- In the case of modular courses, the centres may advise candidates to sit examinations in an alternative series

9. **Candidates at risk of being unable to take examinations – centre remains open**

Criteria for implementation of the plan

- *Candidates at risk of being unable to attend the examination centre to take examinations as normal*

Centre actions to mitigate the impact of the disruption

- The centres priority action will be to liaise with candidates to identify whether the examination can be sat at an alternative venue in agreement with the relevant awarding organisation
- As a last resort, the centre will offer candidates an opportunity to sit any examinations missed at the next available series
- In the event of a temporary injury or impairment, or a diagnosis of a disability or manifestation of an impairment relating to an existing disability arising after the start of the course, access arrangements should be applied for as soon as is practicable.

- The centre is to apply to Awarding organisations for special consideration for candidates where they have met the minimum requirements. Candidates are only eligible for special consideration if they have been fully prepared and have covered the whole course but are affected by adverse circumstances beyond their control. These include temporary illness or accident/injury at the time of the assessment or when they have been advised by the centre not to attend an examination. If a candidate chooses not to sit an examination for other reasons they should be made aware that special consideration rules will not apply.
- JCQ guidance on special consideration can be accessed through the JCQ website: http://www.jcq.org.uk/exams_office/access_arrangements

10. Centre at risk of being unable to open as normal during the exams period

(including in the event of the centre being unavailable for examinations owing to an unforeseen emergency)

Criteria for implementation of the plan

- *Centre at risk of being unable to open as normal for scheduled examinations*

Centre actions to mitigate the impact of the disruption

If the centre is unable to open as normal for examinations, each awarding organisation with which examinations are due to be taken should be notified as soon as possible.

The responsibility for deciding whether it is safe to open the centre lies with the head of centre. The head of centre is responsible for taking advice, or following instructions from relevant local or national agencies, in deciding whether they are able to open.

Recommended actions:

- The centre is to open for examinations and examination candidates only, if possible
- The centre is to use an alternative venue in agreement with relevant awarding organisations (e.g. share facilities with other centres or use other public building, if possible). The Exams Officer is responsible for the safe transport of all exam material. Any movement of exam material will be recorded.
- Candidates and invigilators will be informed of any changes via Group Call with a request for a reply. Where no reply is received, a telephone call will be made. A notice will also be added to the centres website.
- As a last resort, the centre may offer candidates an opportunity to sit examinations missed at the next available series.
- The centre should consider to apply to Awarding organisations for special consideration for candidates where they have met the minimum requirements
- The centre will seek advice from the awarding body for possible use of the 'contingency day'. All pupil will be notified of the contingency day and be instructed that they must remain available on this date until the exam series ends.

(Section 15.5, General Regulations for Approved Centres 2021-22) The awarding bodies will designate a 'contingency day' for examinations, summer 2021. This is consistent with the qualification regulators' document Exam system contingency plan: England, Wales and Northern Ireland:

<https://www.gov.uk/government/publications/exam-system-contingency-plan-england-wales-and-northern-ireland> The designation of a 'contingency day' within the common examination timetable is in the event of national or significant local disruption to examinations. It is part of the awarding bodies' standard contingency planning for examinations. In the event of national disruption to a day of examinations in summer 2021, the awarding bodies will liaise with the qualification regulators and government departments to agree the most appropriate option for managing the impact. As a last resort the affected examinations will be rescheduled. Although every effort would be taken to keep the impact to a minimum, it is possible that there could be more than one timetable date affected following the disruption, up to and including the contingency day. Centres will be alerted if it is agreed to reschedule the examinations and the affected candidates will be expected to make themselves available in such circumstances. The decision regarding the rescheduling of examinations will always rest with the awarding body. The centre must conduct the examination on the scheduled date unless instructed to do otherwise by the awarding body. Where candidates choose not to be available for the rescheduled examination(s) for reasons other than those traditionally covered by special consideration, they will not be eligible for enhanced grading arrangements. Centres must therefore ensure candidates and parents are aware of this contingency arrangement so that they may take it into account when making their plans for the summer. However, the awarding bodies will not insist upon candidates being available throughout the entire timetable period as a matter of course.

11. Disruption in the distribution of examination papers

Criteria for implementation of the plan

- *Disruption to the distribution of examination papers to the centre in advance of examinations*

Centre actions to mitigate the impact of the disruption

- The Examinations Officer is to monitor the arrival and secure storage of all examination papers from the awarding bodies. If papers are not received 3 days prior to an examination, the Exams office is to contact the Awarding organisation
- Request that the Awarding organisation provide the centre with electronic access to examination papers via their secure network. Alternatively, request a faxed examination paper to the centre if electronic transfer is not possible. The Examinations Officer would need to ensure that copies are received and recorded, made and stored under secure conditions to maintain the examinations' integrity. The procedures for receiving exam papers electronically will be followed. The Exams Officer will follow guidance from the Awarding Organisation when conducting exams in these circumstances.

As a last resort, and in close collaboration with centres and regulators, awarding organisations to consider scheduling of the examination on an alternative date)

12. **Disruption to the transporting of completed examination scripts**

Criteria for implementation of the plan

- *Delay in normal collection arrangements for completed examination scripts /assessment evidence*

Centre actions to mitigate the impact of the disruption

- The centre is to seek advice from Awarding organisations and the normal collection agency regarding collection. Where examinations are part of the national 'yellow label' service or where awarding bodies arrange collections, the centres should contact the relevant awarding bodies for advice and in instructions and should not make their own arrangements for transportation unless told to do so by the awarding body.
- Where the centre has to make their own collection arrangements, including examinations papers, assessments, or work for moderation, the dispatch options that complies with the requirements detailed in the JCQ Instructions for Conducting Examinations will be used. Recorded postage will always be used unless specified otherwise by the Awarding Organisation.
- The centre is to ensure that all completed examination script are stored securely, and in accordance with JCQ regulations, until collection or dispatch.

13. **Assessment evidence is not available to be marked**

Criteria for implementation of the plan

- *Large scale damage to or destruction of completed examination scripts/assessment evidence before it can be marked*
- *Completed examination scripts/assessment evidence does not reach awarding organisations*

Centre actions to mitigate the impact of the disruption

- The centre is to contact the appropriate Awarding organisations as soon as it becomes aware of damage or destruction to scripts / assessment work and request that candidate marks are generated based on appropriate evidence of candidate achievement as defined by the awarding organisations
- Where marks cannot be generated, candidates may need retake affected assessments in a suitable assessment window.

14. Centre unable to distribute results as normal or facilitate post results services

(including in the event of the centre being unavailable for examinations owing to an unforeseen emergency)

Criteria for implementation of the plan

- *Centre is unable to access or manage the distribution of results to candidates, or to facilitate post-results services*

Centre actions to mitigate the impact of the disruption

- The centre is to make arrangements to access its results at an alternative site, in agreement with the relevant awarding organisation.
- The centre is to make arrangements to coordinate access to post result services from an alternative site
- The centre is to share facilities with other centres if this is possible, in agreement with the relevant awarding organisation.
- For the facilitation of post result services, the centre is to make arrangements to make post results requests at an alternative location and contact the relevant awarding organisation if electronic post results requests are not possible)

Ofqual contingency planning steps taken at Braidwood Trust School for the Deaf

Exam planning

Contingency plans are reviewed well in advance of each exam or assessment series. In the event of the implementation of a contingency plan, the centre will comply with the awarding organisation's requirements.

In the event of disruption, Braidwood School will:

1. Contact the relevant awarding organisation and follow its instructions.
2. Take advice, or follow instructions, from relevant local or national agencies in deciding whether your centre is able to open.
3. Identify whether the exam or timetabled assessment can be sat at an alternative venue, in agreement with the relevant awarding organisation, ensuring the secure transportation of questions papers or assessment materials to the alternative venue.
4. Where accommodation is limited, prioritise students whose progression will be severely delayed if they do not take their exam or timetabled assessment when planned.
5. In the event of an evacuation during an examination please refer to JCQ's [Centre emergency evacuation procedure](#).
6. Communicate with parents, carers and students any changes to the exam or assessment timetable or to the venue.

2. Advise students, where appropriate, of the opportunities to take their exam or assessment at a later date.
3. Ensure that scripts are stored under secure conditions.
4. Return scripts to awarding organisations in line with their instructions. Never make alternative arrangements for the transportation of completed exam scripts, unless told to do so by the awarding organisation.

Widespread national disruption to the taking of examinations / assessments

(Braidwood Trust School for the Deaf will continue to review and follow the Dfe and government guidance regarding national disruption, including Covid-19 specific guidance)

The governments' view across England, Wales and Northern Ireland is education should continue in 2021/22 with schools remaining open and that examinations and assessments will go ahead. As education is devolved, in the event of any widespread sustained national disruption to examinations or assessments, national government departments will communicate with regulators, awarding organisations and centres prior to a public announcement. Regulators will provide advice to government departments on implications for exam timetables.
