Autumn 1

Pre - Assessment

In Art lessons you will:

- use a range of techniques to record your observations in sketchbooks and other media as a basis for exploring your ideas
- increase your proficiency in the handling of different materials
- analyse and evaluate your own work, and that of others, in order to strengthen the visual impact or applications of your work
- Learn about the history of art, craft, design and architecture, including periods, styles and major movements from ancient times up to the present day.
